Samiksha Sharma

sharmasamiksha189@gmail.com | +91 7723897124 | Gwalior, Madhya Pradesh
LinkedIn | GitHub | LeetCode | Portfolio

Skills

Programming Languages: C++, Python, JavaScript, SQL (MySQL)

Frameworks & Tools: React.js, Next.js, Node.js, Express.js, MongoDB, RESTful APIs, Git, GitHub

Core Subjects: Data Structures & Algorithms, DBMS, Operating Systems, Object-Oriented Programming

Education

Madhav Institute of Technology Science, Gwalior (M.P) 2024 – 2028
B.Tech in Mathematics And Computing CGPA: 8.3

Ebenezer Higher Secondary School, Gwalior 2022 – 2023
Class XII 88%

Ebenezer Higher Secondary School, Gwalior 2020 – 2021
Class X 92%

Projects

FRIP – Faculty Research Impact Portal Demo | GitHub
Tech Stack: React.js, Node.js, Express.js, MongoDB

- Developed a web portal for managing faculty research publications, achievements, and academic records.
- Implemented role-based authentication and CRUD operations for secure research data management.
- Designed responsive dashboards and integrated REST APIs for efficient data access and updates.

Hospital Management System Demo | GitHub
Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, Chart.js

- Developed a full-stack hospital management platform supporting Admin, Doctor, and Patient role-based access.
- Implemented appointment scheduling, patient record management, and prescription tracking through REST APIs.
- Designed secure JWT-based authentication and interactive dashboards for healthcare analytics.

Music Analytics Dashboard Demo | GitHub
Tech Stack: React.js, JavaScript, Chart.js, APIs

- Built a Spotify-inspired music streaming interface with a responsive and modern user experience.
- Developed an analytics dashboard to visualize listening trends and user engagement metrics.
- Integrated interactive charts, filtering features, and reusable React components for dynamic data visualization.

Certifications & Achievements

- Data Structures and Algorithms coursework in progress (Apna College).
- Solved 290+ coding problems across CodeChef and LeetCode.
- Open Source Contributor at GirlScript Summer of Code (GSSoC'26).
- Selected in the college-level round of Smart India Hackathon (SIH) 2025.

Positions of Responsibility

- Member, Student Development Club — Independently developing FRIP (Faculty Research Impact Portal), a web-based platform for managing faculty research publications and academic achievements.
